Parts Shipping Policy Effective 11/1/25

Shipping and Handling Charge

A \$15.00 flat rate charge to cover freight, packaging, and material will be assessed for each service parts order. Actual freight for freight sensitive items will be charged to the order. Please see the attached list of freight sensitive items for reference.

Backorders will be shipped free freight to dealers with open account status.

COD charge (set by UPS and is subject to change at any time) will be added to all orders shipped COD.

Free Freight for Qualifying Orders

Only orders placed via webstore, www.cadcodist.com, in excess of \$250 dealer cost that do not contain freight sensitive items, will qualify for free freight. **Actual freight for accessories and oversized items, etc. will be charged.** No call-in add-ons are accepted. COD shipments are not included.

Same Day Shipping

Dealerships whose account is current and have fulfilled all stocking requirements can receive same day shipping of their service parts order if the order is placed by 3:30pm, Eastern Time. This relates to in stock items only. If we fail to ship the order the same day, your freight will be free.

Drop Shipments to Retail Customers for Dealers

All orders for shipments directly to the end user will have a \$3.00 add-on handling plus the actual shipping charge by the carrier.

Direct Shipment from Manufacturer to Dealer

When permitted, we will arrange direct shipments to the dealer, **but extra charges are usually assessed and will be the responsibility of the dealer. Please be sure that you are aware of these charges before requesting this order method.**
